\$0

WORLDWIDE COUNTRY PROPERTIES is pleased to present a boutique rural estate of 17.2 hectares / 42.5 acres located in Villamanrique, Ciudad Real, at the heart of Castilla-La Mancha. Just 3 hours from Madrid, this exceptional property blends traditional charm with modern luxury, offering a unique destination for rural tourism, high-end events, and nature-based experiences.

The estate is fully developed as a hospitality complex and includes eight independent bungalows, each equipped with premium amenities and stylish furnishings, accommodating up to 16 guests in total. In addition, there is a 470 m² main house featuring spacious living rooms, dining areas, a library, and a fully equipped country kitchen—ideal for hosting guests in comfort and style.

Complementing the accommodations are first-class facilities, including a swimming pool, restaurant, recreational areas, and event spaces, alongside support buildings such as storage warehouses (271 m² total), solar panels, two water wells, and a backup generator. The estate is surrounded by olive trees and holm oaks, creating a peaceful and picturesque setting at an altitude of 790–815 metres.

Los Collados de San Miguel offers a rich portfolio of experiences, including:

- Organized hunting expeditions

- Horseback riding and quad biking
- Balloon rides and scenic hikes
- Cultural tours in the Campos de Montiel region
- Outdoor dining experiences and regional tastings
- Private transport and helicopter transfers

The property is positioned as a profitable rural tourism venture with significant potential for growth. In 2023, total revenues reached good revenues, mainly from hospitality services, and despite a transitional period in 2024, income remains consistent. With targeted investment in marketing, infrastructure, and brand development, the estate can further capitalize on the growing demand for eco-luxury and rural retreats.
