

Luxury Lodge, 2.47 Acres

\$0

- Wildlife Viewing

El Paraiso was designed by an American architect with a unique style and it is characterized by its rich history. The lodge is decorated with a great collection of Argentinean trophies.

There are six huge bedrooms with private bathrooms. The large living room with its fire place, right in the heart of the building is the common area where the warmth and pleasant, relaxed familiar atmosphere is enhanced.

Cordoba is considered the dove shooting capital of the world. And the area where El Paraiso stands honours such name: The 100 square mile radius (60 km) around the lodge is annually inhabited by over 30 million doves.

The lodge has around 25 shooting Fields which are at a very short drive through the region's rich farmland. The overwhelming amount of birds flying restlessly all day long ensures great opportunities for non-stop shooting suitable for all skill levels. Beginners have an unparalleled chance for improving their shooting skills aiming at low flying doves, while more experienced shooters find higher and faster targets quite a challenge. An average hunter may expect to shoot between 2 to 4 cases a day, and there's No Bag Limit!
