A massive investment in fencing, tracking, fertiliser and cropping/regrassing is reflected in stock performance.

Consistently running over 10 stock units per hectare on the effective area with an emphasis on finishing all stock including extra winter trade lambs.

In 1998 the character homestead was fully renovated and awarded first place in the House of the Year awards in New Zealand.

It is an incredible family home featuring 4 huge double bedrooms (2 with ensuites), chefs' kitchen, open plan living, billiard room, heated swimming pool and spa, all weather tennis court and situated on a beautifully elevated knoll with expansive views over the farm and lake below.

The second home has recently undergone a full renovation to executive level and the third home is also well maintained and

presentable.

Farm infrastructure is equally impressive, with massive covered yards/5 stand woolshed complex and rebuilt covered cattle yards and laneways for ease of stock movements, with the bonus of great hunting of Fallow and Red deer on the property. Bramerton is a farm of the highest quality and superbly presented.
