

Te Awa Development Opportunity, 35.81 Acres

\$0 NZD

- Agriculture, Income producing, Pond, Stream/River, Upland Bird, Waterfowl

A rare chance to secure 14.49ha (STS) of premium land in Te Awa, Napier, to be sold in three lots, zoned General Residential and positioned for large scale development or longterm land banking. This is one of the last remaining blank canvas sites of this scale in such a strategic coastal city location.

Key Highlights

- General Residential zoning enabling significant development potential
- 14.49ha (STS) of flat to gently contoured land
- Adjoins a newly completed subdivision, reinforcing the areas proven demand
- All services at the boundary, reducing upfront development costs
- Prime location within one of Napiers fastest growing residential corridors
- Outstanding opportunity for developers, investors and land bankers
- Strong longterm growth profile in a tightly held area

Why This Property Stands Out

This is a true large scale development platform - rare in Napier and increasingly scarce across Hawke's Bay. With residential zoning already in place and neighbouring development setting a clear precedent, the path forward is compelling. Whether your strategy is immediate subdivision or long term hold, this site delivers exceptional upside.
