

Iron Mountain Ranch, Fremont County, Colorado, 74.78 Acres

\$595,000

Scenic off-grid mountain ranch on 74.78 acres which directly borders thousands of acres of BLM and Wilderness Area. At this price, you couldn't possibly reproduce the land and improvements that are here in today's market. Spring fed creek runs the length of the property and would be an ideal set-up for horses or other livestock. In addition, this ranch would also be well suited for a hunting or recreational base camp. The property features a flat topped A-Frame + a fully permitted addition along the back. This home boasts 3 bedrooms and 3 bathrooms, a large garage, and a mudroom. Also, there is an upper loft area overlooking the family room. There is a 30 x 60 steel framed workshop building with two separate large garage doors. Iron Mountain Ranch offers a new owner the opportunity to own a spacious and useable property at the gateway to thousands of acres of remote Colorado back country. The ranch is private but has year-round access from a county road. No covenants or HOA to worry about so many uses are possible including a small ranch operation, horses, livestock, hunting or ATV use.
