Born and raised in the beautiful state of Montana, I've always had a deep connection to the land and the outdoor lifestyle that makes this place so special. As the proud owner of Woodland Creations and Home Center and ChariTea's Coffee and Treats in Philipsburg, Montana, my life revolves around community, craftsmanship, and a genuine love for the outdoors. With 14 years of experience in real estate, I specialize in helping clients find their ideal Montana properties—whether that's hunting and fishing land, farm and ranch acreage, off-grid retreats, or the perfect dream home. My approach is hands-on and personal, built on trust, hard work, and a shared appreciation for the Montana way of life. When I'm not working with clients, you'll likely find me riding horses, hunting, fishing, skiing, or exploring this breathtaking state with my husband, kids, and grandkids. I love meeting new people, building lasting relationships, and helping others discover their own piece of Big Sky Country. If you're looking for a knowledgeable and dedicated real estate professional who shares your passion for the outdoors, I'd be honored to help you make your next move.
