\$399,000

- Agriculture, Fishing, Pond, River Frontage, Snow sports, Timberland

All the boxes are checked with this beautiful lot, tucked between a large preserve and forest service land, creating a haven for wildlife. The pristine Swan River cuts across the corner providing waterfront pleasure and access. Dense forest offers privacy, sanctity and unmatched native allure. Old growth trees abound and can be used for environmental investment, commerce, or building material. Sneak views of the Swan Range can be opened up into grand views, if desired.
