Foxfire Hollow has all the makings for a Colorado mountain adventure that is just waiting to happen! This remarkable acreage has a wide range of diversity from gentle meadows filled with aspen, fir, and ponderosa pine to hidden springs, massive rock outcroppings and high points that provide breathtaking mountain and valley views. Follow the established wildlife trails or forge your own path across the rocks and through the timber. Whether you chose to hike, snowshoe, cross country ski or ride bikes, ATVs or horses you will not be disappointed as nearly every turn reveals something new to explore and ponder. Private and remote, it offers an opportunity to experience nature first hand. Awaken all your senses as you take in the woodland smells of fresh pine and the crisp, clean mountain air; hear the quaking aspen, calls of birds, squirrels and other wildlife. Touch the rough bark of ancient trees and granite rocks; taste the sweet stems of mountain grasses or catch fresh falling snowflakes. And, witness some of Mother Nature's very best work - Pikes Peak, expansive mountain valleys, towering trees, sunrise and sunsets. Explore the wood remnants of a settlers' cabin or simply watch the wind push the clouds across the deep blue Colorado sky. Perfect for day trips or camping escapades, you can start your adventures straight away. Youngsters, Old-Timers, and even your 4-legged friends will thoroughly enjoy all the property has to offer. And, there are no covenants so you have the option of finding that ideal building site and designing your "ultimate" Colorado log cabin or full time home. Hunt on the property or take advantage of nearby public lands. Within easy driving distance, you can fish & boat on Elevenmile Reservoir, downhill ski in Summit County, or raft on the white waters of the mighty Arkansas River. Foxfire Hollow allows you to reconnect with nature, rediscover the benefits and joys of a simpler lifestyle and rekindle your imagination!
