This certification is issued pursuant to the requirements of AK Statute 18.58.300 and AHFC's regulations 15 AAC 150.030. The Electrical Inspection may be completed by an inspector qualified under the International Association of Electrical Inspectors. An Architect or Engineer may only perform inspections for a project or phase of construction conducted in a community with a population of 5,500 or less that is not connected by road or rail to Anchorage or Fairbanks. Use of alternate methods, such as videos, must have PRIOR WRITTEN APPROVAL of Alaska Housing Finance Corporation.

By my signature below I certify I have the current, applicable certifications of authority. I am not personally or financially related to the builder, seller, buyer, resitor, or other interested party for this project, other than as a fee inspector.
