Important Note

Existing water rights for stock and individual domestic uses from instream or groundwater sources were exempted from the filing requirements of § 85-2-221, MCA. An existing water right is a water right first put to beneficial use prior to July 1, 1973.

In 2017, the Montana Legislature passed House Bill 110, allowing the filing for existing water rights that were exempt from filing in the statewide water right adjudication, and set a filing deadline to be received or postmarked on or before June 30, 2019.

House Bill 110 requires that you complete this claim form, include supporting documentation for your claim (e.g., maps, affidavits, decrees, notices of appropriation or completion, etc.), and pay the filing fee set out above.
