

Cabin With A View, Sanders County, Montana, 50.64 Acres

\$679,000

- Agriculture, Big Game, Equestrian

Situated at the end of the road and behind a locked gate, sits this beautifully updated log home on 50.64+/-acres. This rare find backs up to USFS land and has power to the cabin! An open field is perfect for all the abundant wildlife. Includes a new detached, oversized 2 stall garage, shed and original homestead buildings. Newly finished basement with a separate entrance. Property is in two separate legal descriptions, so could split off 1/2 and build another home. There is a spring on the property that is piped into the cabin, although this is a good well area.
