

Blossom Mountain Views, Kootenai County, Idaho, 80.00 Acres

\$289,000

- Big Game, Timberland, Upland Bird, Wildlife Viewing

Motivated sellers! Views, views, views. Just minutes from Post Falls, you have a quick commute to CDA and Spokane. Timber, springs, wildlife, and lots of breathing room on this 80 acre parcel. You are not going to find a better property at this price this close to town. Great view property with views available from most locations on the property. Property offers a panorama view of Post Falls and the Rathdrum prairie. Overlooking the Spokane River, Newman Lake and Hayden Lake can both be seen in the distance. You'll be captivated by the city lights of Post Falls spreading across the prairie as the sun sets. Wildlife abounds with elk, deer, and turkey commonly seen year round. Less visible inhabitants include black bear, moose, cougar, bobcat, and coyote. Several year-round springs provide a convenient watering hole for thirsty critters. Several roads were built in 2001 to provide vehicular access to several areas on the property. The main road that extends from the south property line to the furthest northwest location is very gentle with an overall grade of about 3%. The property was logged in 2001 uncovering several prime building locations and revealing a forest of deciduous trees that blanket the property in beautiful fall colors. With end of road privacy, this parcel is quiet and secluded. Travel distance from the parcel to Interstate 90 is approximately 6 miles, with 4 miles being paved county road and about 1.5 miles across a private access road. A locked iron gate at the end of the county road restricts access to the public in general and another locked gate near the top of the ridge restricts access to everyone except the land owner.
