

Crownthorpe country living with options, 77.49 Acres

\$0 NZD

Driving approximately 20 minutes west of the Hastings and Taradale on the Napier Taihape Road will bring you the Crownthorpe district. Nestled in a wonderful traditional Hawke's Bay farming district is this 31 hectare (more or less) lifestyle block. The current owner has enjoyed farming this block with mainly cattle, a few sheep and horses. The aspect of the property is east facing and the contour basically flat to sloping grazing paddocks. There is deer fencing around the property giving a few more options.

The water system for this block is from a bore and is reticulated to troughs over the property. A number of very useful sheds including woolshed, implement shed and hay barn are positioned near the home and access is via metaled tracks. Cattle, sheep and deer yards/facilities are located near the woolshed with good truck access for stock movement.

The family home is positioned perfectly to capture all day sun. With views extending across farmland you will be able to embrace the wide open spaces from this home. The morning sun streams into the kitchen/dining area at various times of the year. There are four bedrooms plus an office, a double integral garage and large open living areas heated with a wood burner.

You will need to view this property to appreciate all that is on offer. There is the option to purchase the 1.9 hectare parcel (STS), talk to us about this.

It really is country lifestyle living at its best!
