

Cedar Breaks Trail, Custer County, Montana, 654.4 Acres

\$590,000

- Big Game, Wildlife Viewing

Great opportunity to own a whole section of Montana. This 654 acres offers privacy and tons of recreational activities. The old school house located before the access of the sections would make a good hunting camp, giving your friends and family a place to relax. Just put wood in the fireplace and enjoy. The Quonset hut has plenty of room for your recreational vehicles when not in use. The marsh area is a good place to see wild game gathering for a drink on occasion. This one-of-a-kind property, with all this potential, is a rare find.
