

Locked Kootenai Hideaway, Lincoln County, Montana, 60.08 Acres

\$1,200,000

- Big Game, Fishing, River Frontage, Stream/River, Upland Bird, Wildlife Viewing

Location, Location, Location. How does 61 acres with approximately a mile of Kootenai River frontage sound? This rare property is behind a locked Stimson gate to ensure your privacy. The movies *The Revenant* & *River Wild* were filmed just north of this location. There is a small cabin on stilts with great views of the Kootenai River. Great fishing & boating right out your front door. The property is located off-grid, but cell service is available & there is lots of potential for solar or a generator system. There is also a developed spring. There is so much potential on this property for the person that wants to be off-grid but have acreage & privacy, yet be just minutes from the town of Troy. It's what everyone is looking for.
