

Oak Creek Ridge, Huerfano County, Colorado, 280.00 Acres

\$495,000

- Agriculture, Big Game, Off-Road, Wildlife Viewing

Oak Creek Ridge offers a great opportunity to own a large ranch tract in southern Colorado without breaking the bank. The land features open and wooded ranch terrain with hills, valleys, ridges and monster views in all directions. Oak Creek which is a seasonal and wet weather drainage crosses the eastern side of the property. The land has direct frontage on two county maintained roads and is very close to State Hwy 69. Owned by the same family for over 50 years this is the first time it has come to market. The views are simply unparalleled and extend from Greenhorn Mountain to the Sangre De Cristo Range and Sheep Mountain. Because of the easy access and frontage along the county roads this property could be easily divided if desired. Family ranch, retirement, seasonal cabin, camping, ATV use, hunting, horse property, or small livestock ranch are all opportunities on this property.

The land is located in Game Management Unit 85 and is accessible during all seasons. Elk tags are over the counter for 2nd and 3rd rifle seasons. With the use of hundreds of acres of bordering BLM, this property offers diverse hunting and recreational opportunities. This area of southeast Colorado is known for producing trophy elk and mule deer and animal signs are seen throughout the ranch. The land is close to the Huerfano River which is an active corridor for big game in the area. Because the property exceeds 160 acres it could be enrolled in the Landowner Preference Program (LPP) allowing for the potential to obtain additional game vouchers each year. Equestrians, ATV, or off-road enthusiasts would love this property as the property is very usable throughout.
