

Shawwood Lane, Flathead County, Montana, 22.8 Acres

\$2,195,000

- Big Game, House, Timberland, Wildlife Viewing

Looking for that Immaculate Montana Dream Home? Look no further than this stunning Montana custom log home on 22 tree covered acres. This amazing 3,900 sq ft. log home was built in 1981 utilizing massive logs and has undergone multiple upgrades including granite countertops, black iron accents and custom paw printed half-log stairs. The open concept floor plan, combined with vaulted ceilings and numerous windows invite lots of natural light into the home. Walk right out of your master bedroom onto a large balcony overlooking the Flathead Valley. The completed walkout basement includes a large game room and a huge two stall garage. Just outside the garage you will find a hoist that can be used to take the firewood up to the stove inside the living room.

A large shed next to the home not only has ample storage, but it has also been wired for a generator in the event the house loses power. With its close proximity to Glacier National Park, Whitefish Ski Resort and the Flathead River every possible outdoor activity is at your doorstep. A pre-civil war mine (for personal use) is also located on the property that has shown to contain silver, gold and copper.
