Josie loves the life she has created for her family and herself here in Kootenai River Country. Family means everything to her, and she can almost always be found somewhere near her five children and husband, Chris. Josie was raised here in the Northwest, graduating from Troy High School in 1998, so she knows the area well. She loves running, hiking, biking, camping and everything Montana has to offer. While attending college in North Idaho, Josie sold real estate for six years, giving her the knowledge needed to be successful. She's also a Certified Pharmacy Technician and works part-time at Cabinet Peaks Medical Center Pharmacy, and her husband is a Pharmacist who co-owns Kootenai Drug and True Value Hardware in Troy.
