A rare opportunity to own over 300 acres outside of Trout Creek with Swamp Creek running through, ponds, spring water, and a beautiful mix of mature timber and open rolling meadows. Watch the herd of elk wander through from the back porch of the solid but older 4 bed 3 bath home with full basement & attached double car garage. The property includes a 17 x 24 shed, 30 x 96 shop, 30 x 72 shop, & a 30 x 60 pole building. There is an additional concrete slab for another home or outbuilding ready to go with utilities in place. An established garden and green house await the green thumb, with extensive landscaping. Fenced and cross fenced, this is a perfect spot for horses or cows and there are no covenants or restrictions, so add another home or homes or more outbuildings. Located in a quiet, rural area off a county-maintained road, but just a few minutes from the Noxon Reservoir, the town of Trout Creek and USFS access.
