Bush At Its Best

Hunters Paradise Horowhenua. 647ha of predominantly picturesque, pristine native bush in a perfect balance of re-growth and Podocarp Forest with some clearings. The location is great for a property of its type having an unfenced natural boundary with the Tararua Forest Park and being just 42 kms from Palmerston North, 125kms to Wellington and 10kms to Shannon. It is an impressive recreational/hunting block with instant appeal carefully managed and maintained by the Vendor with enjoyment of the bush and good hunting in mind. Red and Fallow Deer are plentiful plus some wild pigs and goats.

Enterprising purchasers should consider the potential options the property offers e.g. Tourism Hunting, Deer Park, Horse Trekking, Mountain Biking and Bird Watching with syndication a bonus. Features of the property include an ideal, well appointed, one bedroom hunters hut with decking and views of the property, a two-bedroom sleepout, lockable storeroom, approximately 40ha deer fenced with deer shed and handling facilities and very good tracks for easy access. Recently approximately 4kms of deer fencing has been erected on the western boundary. Nice contour ranges from undulating to medium hill with some steeper areas. Seldom do properties of this calibre come to the market. For purchasers interested in bush and hunting this is an exceptional property.
