Turn-Key Grow & Residential Property on 43.84 Acres – Boone, Colorado

Great opportunity to own a fully improved home and licensed Tier-1 grow facility in Pueblo County. This is a prime location just 1 mile off of paved Hwy-50 and only a 15 minute drive to the city of Pueblo. The barn is built on a concrete foundation and serviced with cistern water storage plumbed in. Three separate rooms (equipped with a total of 30 LED lights, 50+ fans, and multiple dehumidifiers). Two bathrooms, an office, and storage space with a 12' overhead door. The building has its own septic system separate from the house. 3-phase power service to both pole barn and the greenhouse. An HVAC system which provide 15 tons of cooling per room. Situated on 43.84 acres just one mile off Hwy-50, this property combines comfortable country living with a fully operational agricultural/commercial setup. Fantastic chance for a licensed grower looking to expand or entrepreneurs wanting to enter the industry at a lower cost. Also, buyers seeking a rural home with improvements which provide storage, workshop use, or agricultural applications.

The standout feature is the **7,500 sq. ft. metal pole barn**, finished in 2019 and built to code with a certificate of occupancy. This impressive facility includes:

- Three fully equipped grow rooms with LED lighting, fans, and dehumidifiers
- 13 AC units delivering 15 tons of cooling per room
- Office, storage, and 2 bathrooms
- 3-phase power and a newly installed septic system
- Security system with cameras inside and out
- Fenced perimeter with barbed wire for additional security

All existing grow-related equipment conveys with the sale, making this a true **turn-key operation**. In addition, there is an

oversized greenhouse on site with its own 3-phase power box, ready to be restored for expanded production. Whether you're an established operator looking to expand or an entrepreneur entering the industry, this property offers significant infrastructure at a fraction of replacement cost. For those seeking more traditional use, the improvements also make for excellent workshop, storage, or agricultural applications.

Property Highlights:
